

Spark of the Sentinel - Panel 1

COMIC PANEL 1

Cinematic comic book style, dynamic low-angle shot. Lakshmipriya, a spirited 12-year-old South Asian girl with a messy high ponytail, forehead goggles, and a rugged neon-trimmed utility jacket, gently touches the chest of an ornate brass and chrome automaton. Brilliant cyan and gold

Scene

Inside a shadowy, overgrown laboratory filled with broken holographic monitors, Lakshmipriya brushes dust away from a dormant antique robot, igniting glowing magical runes along its chassis.

Sub-level 9: The Forgotten Archives.

Narration

Centuries of silence shattered the moment her fingers touched the ancient core.

Dialogue

Lakshmipriya: You're not scrap metal at all... you're alive!

Spark of the Sentinel - Panel 2

COMIC PANEL 2

Cinematic comic book style, high-speed
Dutch angle aerial composition.
Lakshmipriya rides on the back of the
sleek, activated magical robot as it
streaks above a towering cyberpunk
cityscape with flying vehicles and glowing
holographic billboards. A menacing purple

Scene

Lakshmipriya and the awakened robot soar through the city's neon-lit skyway toward a massive dark energy anomaly threatening the metropolis.

Caption

Sector 4 Skyway, minutes later.

Narration

With the dark rift tearing through the upper atmosphere, every second counted.

Dialogue

Lakshmipriya: Maximum thrust, Sentinel! Aim right for the storm's core!
