Awakening in Neo-Sol - Panel 3

COMIC PANEL 3

Cinematic comic book style, heroic low-angle medium-wide two-shot. Meiyarasan stands boldly with a confident, adventurous grin next to the tall, awakened robotic companion, whose body pulses with soft cyan circuitry. The robot projects an intricate 3D holographic beacon map hovering in the air between them. In the background, the alley opens up to a breathtaking vista of a futuristic metropolis with soaring sky-bridges, flying vehicles, and radiant neon towers.

Scene

The robot rises to its full height beside Meiyarasan, projecting a floating holographic navigation map as both gaze out toward the neon-drenched cityscape, ready to begin their journey.
